Plenty of Thunder, But Not a Cloud in Sight for the 20th Annual Havelock Car Show

Volume 1, Issue 10

September 19, 2001

The day was just about perfect. The sky was blue, the temperature warm but not hot, with just the slightest hint of a breeze.

But, despite the ideal conditions, the thunder that rolled down Havelock Avenue on Sunday, September 9th was DEAFENING!

Car enthusiasts from all over Nebraska, as well as Colorado, Kansas, Missouri,

and Iowa turned out to make the 20th Annual Havelock Car Show one of the classiest, most impressive car shows in club history.

We had nearly record attendance. Even that was surprising, given the rain from the days preceding the show.

The attendees were all very well mannered,

Would you believe this is a TAURUS engine?!!

friendly and easy to work with, which made getting the cars in, parked, registered

Karen Stroman and Patti Buis led the inside registration process and it ran like the finely tuned machine it is!

And I must say I was truly impressed by the turnout of

In Honor of The American Spirit

Few things symbolize American values quite like the Ford Mustang. Since its introduction in 1964 the Ford Mustang has shown itself to be extremely versatile. Mustangs can be simple, inexpensive 'get around town' cars. They can be souped-up, gear-head muscle machines. Or

anything in between. I believe that we, as owners of Fords and Mustangs, subscribe quite deeply to the American values of Freedom, Liberty and Justice.

I have seen it in the emails I receive from our members. I have heard it in their everyday conversa-

tions. And I am proud to be counted among them. Following the nightmare of September 11, 2001, we have all mourned, cried and prayed for those who lost their lives.

But life goes on and so must we. Today, as I read the news of Ameri-

See Sam, I told ya this would turn out cool!

Welcome to the CCFMC!!

We were very fortunate at our Have-lock show to be able to welcome these great folks to our club!! (I know, I know, I already told you that John Shaw and Mike & Judy had joined, but I was wrong. Shouldn't come as too much of a shock to anyone!)

So be sure to introduce yourselves to all our new members and make them feel at home.

club members. There were members crawling out of the woodwork, everyone doing their part. Even the kids pitched in and were a huge help! Special thanks to everyone who turned out to help.

Without you the show just wouldn't be the smooth, enjoyable day that it was.

Classics such as this are truly beautiful.

Everyone seemed to have a great

time, the cars were outstanding, and it was a really good day. And aside from having sore "smiling muscles" from waving 'buh-bye' to over 200 cars as they left the show, there didn't appear to be any injuries!

So pick your favorite analogy: The Thunder Rolled Down the Avenue, The Ponies Stampeded Through Havelock, or The Classics 'AAOOOGHAA'ed Down the Street. But no matter how you describe it, a whole lot of people had a whole lot of fun on a truly

can military troops making their way to the Middle East, my heart and my prayers go with them.

When we think of aircraft carriers, we typically think of superior fighting power, or highly advanced technology.

We seldom think of the thousands of men and women in uniform aboard those carriers. Those people, often very

young, are the brothers and sisters, sons and daughters of America herself. They are strong, intelligent, courageous people who are willing to give up their very lives to serve the country they love and to protect those who call the United States 'Home Sweet Home'.

So this weekend as you're reading this newsletter, or listening to the game, or mowing your lawn, or changing your oil, I would ask you to take a moment to whisper a prayer for the safety and protection of our American military troops.

For it is unmistakably the hard work and dedication of these men and women that allow us to enjoy our way of life. Including our football, our yards, our Fords and our Mustangs.

- Editor's Note: A very special prayer goes out for Cody, the son of Jeff and Kim

Barnes, who left for the Marine Corps on Monday, September 17th. May God watch over you and protect you, Cody, and bring you home safely.

TREASURER'S REPORT

Deb Morgan gave the Treasurer's Report.

Treasurer's Report – The club spent \$3011.91, and took in \$2132.

CLUB SPONSOR'S REPORT

Doug reported that he is considering getting together a group of race fans to go to the Kansas Race track on September 26th for 'a day at the races'. There will be a day of activities, including several Ford drivers who will be signing autographs. Anyone who is interested should talk to Doug.

OLD BUSINESS

Rick reported that the month of August was very busy. He reported that at the MCA show in Kansas City Chic Stroman, Jeff Barnes and Marty Rupp all attended and showed in the Concours Driven class. Marty and Chic both won awards. Congratulations to them both!

The Pella, Iowa Mustang club is going to be paying us a visit as their club tours to Nebraska. They will be here the weekend of October 12. We will be hosting a potluck dinner for them the evening of Friday, October 12 and all interested members may join them on a cruise to Pioneer Village in Minden on October 13, stopping in York on the way home for dinner at Chances R. The plans are still tentative. Plans will be finalized at the October meeting.

Car show report – Bob has a sign-up sheet for judging. We need 2 judges for each class.

We will plan to order 1000 business cards depending on the turnout of the car show.

NEW BUSINESS

The holiday party is in December. Typically club members bring chili and exchange gifts. The party is usually the first week in December. Holiday party committee members are: Kim Barnes, Deb Shutts and Patti Buis. We will try to hold the party at Antelope Park. The budget for the party is \$100.

Volunteers for the awards banquet are: Judy Rosecrans, Tari Rupp, Karen Stroman, Deb Morgan and Patti Buis.

There will be a club car photo shoot on Saturday, September 8, from 9 – 11 am at Pioneers Park. Anyone interested in having their cars photographed for the club calendar and/or personal use is welcome.

Meeting was adjourned at 9:45 pm.

Respectfully submitted,

Deb Shutts
Secretary

Notes from the President:

Way to go club, another successful show, 220+ cars.

I would like to thank the Car Show Committee for doing an outstanding job. It takes some work and time to put on a show like ours and, thanks to the dedication of our Car Show Committee and workers, we pulled another one off.

In case you missed the show, the day started a little cold and damp. Alan showed up to work around 7 am! A couple of extra cars on the Avenue, and missing porta-potties were our only minor problems. All were solved thanks to the efforts of club members.

According to preliminary results the club made some money on the show.

The club officers and charity committee discussed what we should do with some of the money. It was decided that we would give 250 dollars to the Red Cross/Salvation Army for support in New York and Washington, DC instead of the club buying pizza for the workers party. Deb Morgan took a check down to KLKN Thursday.

God Bless America!

Rick Buis
President

Well, since Rick didn't have too much to say this month, he kinda left me with an empty column to fill. So I'll show you some beautiful cars:

Stranskys' car—isn't she pretty?!

This is Mick's car—I put it here just to torment Rick (that'll teach him to write short articles!)
