### SECRETARY'S REPORT

The Secretary's Report was given. Dennis Mallum and Steve Samuelson made a motion and seconded to accept the minutes.

### TREASURER'S REPORT

Bob Peterson reported that the car show profited about \$1200.00. He is also putting together a list of expenses for the year, just to show how much money the club spends. Bills in the amount of \$170.64 were presented for payment. Marty Rupp made a motion and Bob Walker seconded to pay the bills that were submitted.

### SPONSOR'S REPORT

Doug Swanson reported that he and Elaine traveled to Las Vegas last month for the Ford Show. They are also the proud new owners of a 32 Ford Roadster. There was discussion about chartering a bus to take to the 100<sup>th</sup> anniversary celebration in Michigan next year. Doug would also like to see a spring dinner/dance if there's enough interest.

### MCA REGIONAL DIRECTOR REPORT

Doug Cole reported that MCA committee met and voted not to have a national show at this time. Our show in 2003 will be a regional show. Mick Morgan made a motion and Doug Cole seconded to use a modified MCA judge sheet for mustang entries. Motion approved.

### OLD BUSINESS

Marty Rupp spoke of the Arkansas trip that several members made. Despite some rain everyone had a great time. About 200 cars participated in the show.

About 20 members went on the cruise to Mahoney State Park. After a wonderful meal at the lodge everyone enjoyed the melodrama that made us laugh till it hurt.

The Nightmare Rally was attended by 25 cars. All but 2 cars made it to the end.

**NEW BUSINESS**

The Holiday Party is scheduled for December 7<sup>th</sup>. It will be held at the Antelope Shelter.

The Awards Banquet is set for January 11<sup>th</sup>. It will be held at the Knolls. Bob Walker is looking for help in organizing this event if you want to help.

The position of President and Vice President are open for next year. We need to be thinking of who would like to hold these offices. It's YOUR chance to carry on the tradition of the CCFMC but also bring new and exciting ideas.

Mick Morgan has club apparel order forms for anyone interested. He also has pictures of jackets that are available.

Gary Bergman reported on having the car show at the Lancaster Event Center. It would cost \$100 for the lots and the Center would keep concession sales. He also asked if the club would be interested in helping with the car show that is held in conjunction with the Lancaster County Fair. By a show of hands it looks like we would help.

The meeting was adjourned at 8:55 pm.

Respectfully submitted,

Kim Barnes

# HAIL TO THE CHIEF!

The December meeting of the CCFMC will be an important meeting, and I hope you will make every effort to attend. The reason every member is needed is because we need to hear your voice!

Officer elections will take place at the Awards Banquet in January, and right now is the time to look around at your fellow club members, and perhaps at yourself, and ask yourself this question: whom would I most like to see as President, Vice President, Secretary and Treasurer of the Capitol City Ford and Mustang Club for 2003 and possibly 2004?

Several VOLUNTEER positions will also need to be considered, including photographer, newsletter editor and historian.

The officers of the club play a vital role in shaping the future of our club. It is their leadership, vision and integrity that will, in large part, determine whether CCFMC will be a successful club in 2003.

We need your ideas, your suggestions, your NOMINATIONS! To date there have been no official officer nominations. This is your best chance to speak up, or to step up!

## Take Note!

Take a moment to wish a happy birthday to these great CCFMC members:

- Sue Phillips 12/11
- Debra Peterson 12/29
- AleshaVieselmeyer 12/30

*Happy Birthday to you!!*

## Notes from the President:

How does this sound, CCFMC/MCA? I think that our club would work great in the MCA world. I have heard from Platte-Valley Mustang club and from Omaha mustang club, they are interested in helping with a show along the MCA lines. At our last meeting we had a short demo on judging and classing of cars, I thought the club seemed pretty interested in going down this path, I would like to see our club be the leader in this area on having a MCA Regional show, and I think we should be able to do this by next spring, what could be better than 300+ mustang and fords to spend a sunny afternoon with. I would like to hear your ideas on this endeavor, so far it has been a select few voicing their opinions, if the club would do this it would have to be a

100% approval of the club, so you select few let me (the club know your there, tell me what you think). Some ideas for the show would be a Saturday cruise, hospitality show on Sunday, or just a show on Sunday, with registration on Saturday, or just a one day show. Marty and I have discussed some local drives around the area and there is some cool stuff to see in this part of Nebraska, especially with the Platte river coming out of it's banks in

early spring. I am sure we could come up with a interesting pony trail!

We are still looking for officers for next year, we have had some pretty humble volunteers at the last meeting, I think it is about time for the Steve Samuleson person step up to the bat and become President with Richard Parks as his vice, what do you think, does that sound like a good combo for the club next year? Of course Steve only has a Falcon (mustang want a bee), what would he do with the Mustang times magazine? I think Steve would be a good leader for the club.
