Who DAT?!

Do you know this man?

I am very honored to have been elected the new club President. I suppose most of you know me fairly well by now but there are a bunch of new folks that I haven't gotten to know very well yet.

Let me tell you a little about myself, my family and cars. My name is Michael Shutts, I'm 32 years old. My wife Deb is firmly set on holding at 29-ish years old. She has been newsletter editor for the last two years. We have two sons, Matthew 16 and Nick 13.

I went to college at SCC – Milford and studied Electronic Engineering. I work at Kenexa Technology, Inc. down by South Point Mall. I work there as a Senior Computer Network Engineer.

We have three dogs that you're bound to hear stories about. Buster – a Dachshund, Monte – a Welsh Corgi, and Ginger – German Shepard are like family to us.

We live in northeast Lincoln and have been at our current house for the last three years. We've been steadily remodeling it room by room so most of the time there is

drywall dust in the air but it is coming along. We built a big garage / barn last summer in our backyard. We actually built it ourselves and with no serious injuries even. A shocker if you know us at all.

We have a '98 GT Mustang that we bought new. We've done the retro '65 Shelby GT-350 look on it. It's bright blue with the white Shelby stripes. I've added Cobra body panels, side scoops, side exhaust, lowering springs, and some go-fast parts under the hood with a bunch more waiting to go on if the weather ever warms back up.

There never seems to be enough time in the day to get everything done. But that's enough about me and my family.

We've got a very busy year ahead of us. We are either putting on or playing a major role in at least five car shows. We are going to need to draw on the club membership heavily to pull this off successfully.

I've been asked by the ladies to start a Lady's Night out. At the last Tech Time in Weeping

Water, the ladies went antique shopping together while the guys listened to Dr. Vinyl and scoped Marty's project cars. I think it is a great idea. We can list their events on the club calendar as well and further promote better communication about those events. I think we can do this to make this club more fun for everyone.

In case you missed the CCFMC Awards Banquet on January 11, 2003, the dinner was great, the games fun and Bob Walker did a very fine job as Emcee. Kris Schulz brought in a little bit of history from the early days of the club in a book he put together. The book was very interesting and informative. Bob Walker did great job putting the Banquet together. THANKS!

Once again, I am truly honored to be named President and I'll do my best to represent the club in the best possible light. I've never been President of the club before so be patient with me. I'll make some mistakes and probably step on a few toes along the way. Hopefully, I'll do more positive things for our membership and some fun along the way.

Michael Shutts
2003 President

Meeting Minutes
January 8, 2003

The meeting was called to order at 7:00pm.

Present were: Art & June Rost, Rick & Patti Buis, Tom & Becky Cast, Galen & Nancy Milligan, Jeff & Kim Barnes, John & Cheryl Stransky, Mike Parks, Chic & Karen Stroman, Art Godfrey, Doug Swanson, Mick Morgan, Gary & Jean Bouc, Doug Cole, Dennis Mallum, Marty & Tari Rupp, Greg Fisher, Alan Rezac, Jerry, Phyllis, Sean & Jarred McNamee, Mike & Deb Shutts, Kris Schulz, Bob, Josh, & Jon Peterson, Sally Schwinck, and Don Heinlein.

SECRETARY'S REPORT

The Secretary's report was given. Bob Peterson moved and Mick Morgan seconded a motion to accept the minutes as read.

TREASURER'S REPORT

Bills were presented in the amount of \$189.13. A motion was made by Becky Cast and seconded by Dennis Mallum to pay the bills as presented.

SPONSOR'S REPORT

Doug Swanson has spoken with Larry Hall of Hall Tours on cost of a chartered bus and room accommodations for the trip to Dearborn in June. One of the proposals was at a cost of \$474.00pp with a commitment of 36 people for a 55 passenger bus and a 5 night stay at the Hampton Inn. The more people that sign up for the trip the cheaper the cost would get. The bus would leave on June 11th and return on June 17th. Decisions need to be made at the February meeting on whether or not to book these accommodations.

OLD BUSINESS

A big thank you and a round of applause was given to June Rost for hosting the holiday party. About 45 people attended the party and enjoyed good food and conversation.

NEW BUSINESS

Rick Buis is planning to attend the January Car Council meeting to get details on the spring swap meet. By a show of

hands the club is interested in helping with this event. Art Godfrey has volunteered to organize our part in the meet.

A meeting was held at the Rost home to discuss having a MCA Regional show sometime in late May or early June. Marty Rupp, Chic Stroman, Kris Schulz, Doug Swanson, and Rick Buis formed a committee to organize this event. Marty talked about some options for the show including a possible 2 day event with a hospitality night. Also discussed was getting major corporate sponsors to help with expenses. The Mustang Club of Omaha and the Platte Valley Mustang Club are also interested in helping with the show. Doug Cole made a motion and Mike Shutts seconded to go ahead with planning the show. Motion approved. A meeting is scheduled for January 12th at Rick's house for further planning.

Don't forget to attend the Awards Banquet on January 11th at the Knolls. New

officers will be elected at that time.

Meeting adjourned at 8:07pm.

Respectfully submitted,

Kim Barnes
Secretary
